- A SENSUAL MUSICAL ABOUT A CENSOR AND  
A STRIPPER...BY THE DREAM TEAM THAT  
CREATED BEAUTY WORLD!

In 1996 there is Jacqueline Atria. Newly-appointed  
President of the Singapore Censorship Council and  
the nation's moral guardian.

And in 1960 there is Rosy. Striptease queen and  
star attraction of the seedy Eden Nightclub.

A strange twist of fate brings the two women  
together.

Slipping between her own sterile 90s world and  
that of the seductive 60s, Jacqueline finds herself  
spellbound by the spirited Rosy, and begins an  
obsessive search...is the striptease queen merely a  
figment of her imagination or does Rosy really  
exist? Only time can tell.
