

BEAUTY WORLD

Singapore's own musical by Michael Chiang & Dick Lee
Directed by Ong Keng Sen

"... a ground breaking performance."
 The New Straits Times

"Something to celebrate...a landmark musical."
 The Sunday Times

"... raucously enjoyable history as Singapore's first English-language adult musical."
 The Straits Times

"In *Beauty World*, Singapore has a major ranking 'product' that could take the stages of London and New York by storm."
 The New Paper

A mysterious jade pendant brings an innocent young girl to a colourful cabaret in Singapore, where she hopes to locate her long-lost father. Along the way she meets up with her dotty pen-friend, crosses the path of a vindictive cabaret singer, and learns some heartbreaking truths about love and life, not necessarily in that order.

Set to an original score, *Beauty World* is an affectionate tribute to the interminably gripping Chinese melodramas that held so much of Singapore entranced in the Sixties with larger-than-life characters and stranger-than-SBC happenings.
