vintage Michael Chiang comedies unearthed!

Love and Belachan A single girl meets a single man at a single party, and the dynamics of modern romance are set in motion.

Beauty Box Five women get together to vie for the coveted Miss Singapore Shopping Centre title, with fantastic results. A wicked look at the national obsession with shopping and beauty pageants.

And Michael's new comedy...

Heaven II How badly do you want to go to Heaven? A satire on social skills, moral values and real estate.
