Writers' Lab Presents

A BEAUTIFUL COMPANION

Taking you on an emotional roller coaster ride of pathos and laughter, *A Beautiful Companion* is a moving drama about how two women cope when a 'gentleman' enters into and threatens to break apart their 15-year-old relationship. Opening old wounds and exposing new insecurities, he forces them to make hard choices about their bitter-sweet life together.

Featuring Sonny Lim, Esther Yap and Yeo Yann Yann
Written by Tan Suet Lee
Directed by Jeffrey Tan

A Beautiful Companion is a new commissioned play. An on-going nurturing programme, first established in 1990, Writers' Lab intends to present a new full-length play every year.
