Favourite Age : Ageless

The feeling that we are capable today of seeing the world differently in the political realm as well as the philosophical, scientific and cultural realms gives artists today an ENORMOUS RESERVOIR of things to say.

WHAT WE OUGHT TO SAY according to the codes of the past is UNIMPORTANT. What is necessary is to lend an ear to our own times with as much SENSITIVITY as possible. These times must be EXPRESSED along with what we feel about them.

Do-IT-YOURSELF. RE-INVENT AND INNOVATE.

WHAT DO YOU SEE YOURSELF DOING IN THE YEAR 2000?
Running a THEATRE in a CYBERCLUB, collaborating with Malcom

McLaren, having a PERSONAL REVOLUTION OR retiring.

Favourite Age : 69

Every person is ON THEIR OWN PATH. Follow your own awareness. There is some

GREAT INTELLIGENCE

in the Universe which each one of us can CAPTURE,
once we are willing to LISTEN to it.

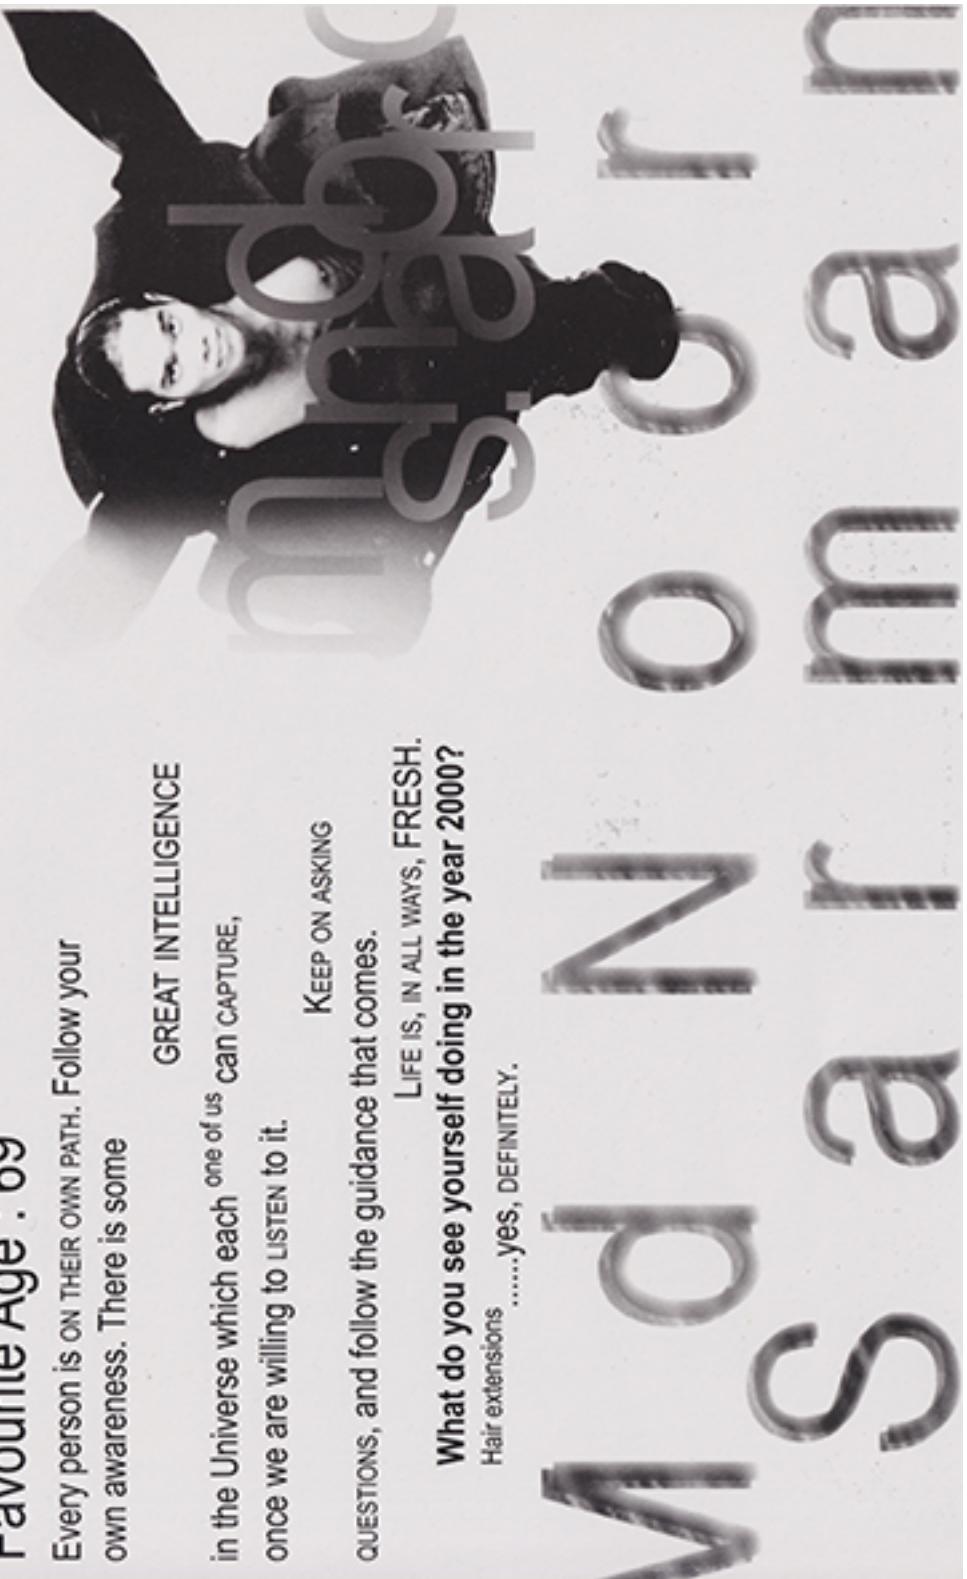

KEEP ON ASKING

QUESTIONS, and follow the guidance that comes.

LIFE IS, IN ALL WAYS, FRESH.

What do you see yourself doing in the year 2000?

Hair extensionsYES, DEFINITELY.
