Beauty World

The President's Star Charity is an annual event personally endorsed and graced by His Excellency President Ong Teng Cheong. It was inceptioned in 1994 to raise funds and public awareness for local charitable and non-profit organizations and has steadily gained a reputation as Singapore's premier fund-raising event.

Television Corporation of Singapore is proud to present and organise the President's Star Charity for the 4th year running. As with previous years, this glitzy charity extravaganza is a concerted effort by a full star-studded line-up of TCS artistes and TCS staff doing their bit for charity, from the outdoor fund-raising events through to the televised show.

This year, TCS aims to break new ground by bringing the performing arts to more Singaporeans, while promoting Singapore's local theatrical talents.

It is with great excitement and honour that we present to you the television special of the TheatreWorks hit musical "Beauty World". Re-live the 60's and Cha! Cha! Cha! for charity!

Set in Singapore in the mid-Sixties, *Beauty World* is a musical melodrama about the adventures of a small-town girl in a big city.

A mysterious jade pendant brings an innocent young girl to a colourful cabaret in Singapore, where she hopes to locate her long-lost father.

Along the way, she meets up with her dotty penfriend, crosses the path of a vindictive cabaret singer and learns some heartbreaking truths about love and life, not necessarily in that order.
