LIFT treks the many paths to happiness, through fragments of sometimes surreal, surprising, absurd, satirical and realistic stories. Funny, charming, whimsical, and definitely with a good measure of sadness to add to the mix...

LIFT will be, what LIFT is.

## THE HAPPINESS EVENT

**When were you happy?**

It has been said that happiness... cannot be pursued, it must ensue. It is the full involvement with every detail of our lives, be it good or bad, that happiness is felt.

The beautiful Gardens by The Bay is the setting for The Happiness Event. 100 ensemble members of LIFT invite you to an evening of fun, laughter, games, music and story telling where happiness is the centre of our conversations. Gather family and friends, bring a picnic basket and mat, and share a meal and your thoughts on the topic with us. Join us in celebrating the moments when we are most happy!

The Happiness Event is organised in conjunction with LIFT: Love Is Flower The and the Garden Series.

**FREE ADMISSION**
