A BIT ABOUT THE 'TRIP'

A delightful night at the theatre, with an Asean play that's witty and poignant, culturally rich and beautifully crafted...and yes, it is in English!

Ten family members hit the long road to Manila in high old spirits. They're heading south for their father's funeral.

Along the way, the journey becomes an allegory for each of them. A personal odyssey revealing humour, horror, guilt, modern attitudes and traditional forces.

And then, of course, there's the trip home....

This play, by a top Filipino dramatist, starts our Asean season. It will be over-subscribed. But for those quick enough to get tickets. TRIP TO THE SOUTH will be a night to remember.
