WHAT WOULD YOU GIVE UP FOR LOVE? YOUR PASSPORT? YOUR SEX? YOUR LIFE?

Singapore girl Shu Yi meets Englishman, Jason in Thailand. She teaches him all there is to know about sex and in return, he agrees to marry her, enabling her to lead a new life in England.

All is married bliss until they are visited by Mori, Shu Yi's ex-lover ...

What follows is a sexy and sensual love story unlike any other ever seen, all observed by the threesome's all-singing, all-dancing pet dogs.

Told with humour and irony, the play makes for a wonderful evening for lovers, ex-lovers and dog lovers the world over.

BOLD, SENSUAL & FUN!
