The 24-Hour Playwriting Competition

Join the playwriting competition that gives you a once-in-a-lifetime opportunity to experience the turning point of your playwriting career. Into the 14th year of this challenge, we put you in the inspiring wilderness of Outward Bound Singapore, Pulau Ubin, to prove yourself with a play within a short 24-hour timeframe.

Since 1990, the Writers' Lab is the longest playwriting programme in Singapore to have nurtured countless of Singapore's successful playwrights. This is the 4th year the Writers' Lab collaborates with the South East Community Development Council, in conjunction with the South East District Arts Festival 2011.
