Dear Friends

TheatreWorks / 72-13 invites you to join us at Space Monkeys at 72-13 !

Space Monkeys is an interactive experience about the community by the community for the community. A board game in which breaking the rules might be the best way to play. Daniel K / diskodanny (Singapore) teams up with post theater (Germany) to create a choreographic machine that studies crowd behaviour and group dynamics: part multimedia installation, part community research, part science-fiction, part nightclubbing.
