*INDULGENCE* is the initial presentation of a new work by bold and sassy Kai Er, who began this project with a no-holds-barred attitude. Together with collaborators Bernice Lee and Jereh Leong, they got to know each other's preferences or tendencies. What would they indulge in if they were asked to simply perform whatever they would like to perform? What would they indulge in if they could simply be themselves and perform being themselves? Inserting themselves into the interior architecture and wide open mental space of 72-13, they laugh, cry and indulge!

The presentation of *INDULGENCE* is part of TheatreWorks' long established belief in developing and nurturing Singapore artists. It is also part of TheatreWorks' aim to present innovative contemporary performances and artistic expressions that offer Singapore audiences alternatives.

Its home, 72-13, is an incubator for artistic experiments by both artists and creatives, while being a consistent conduit for dialogues between disciplines and cultures.
