I enjoyed the letter that you had
me about your name. You have a very
good *name*. I *wish* I had one like this.

now, *I* am going to *tell* you about
the colour it is yellow. The shape of
it is like a fish. My name, Ng Sheng Yong, sounds
similar to my classmate's name Zhang Zheng Yong.

You might be wondering what it ~~means~~.
What does Singapore's National Flag looks like.
